Escaped Prisoners.

"Do you know anything about a lot of escaped county prisoners prowling around in the woods out in my section of the county?" said Capt. Matt Batchelor yesterday to a C. H. reporter. "I know nothing of it," said the reporter, "who are they and when did they escape?" "I do not know when they escaped," said the captain, "but Hillard Neely, who was in the county jail awaiting trial on a charge of killing his mother, and another big black negro, who was in jail a short time since, are now dodging around in the woods in the vicinity of the Folk and the Birchett places, and a few days since were in the Lanier neighborhood. An attempt was made to capture them but they were apprised of it and made their escape." No report of these escapes has been made by Mr. Beck, nor has any reward been offered, other than the statutory reward of \$100 given by the State for the arrest or apprehension of convicts or fugitives from justice. There can be no excuse for the numerous escapes which have occurred during the past year, and the matter will furnish material for investigation when we get a gilt edge grand jury, as we are promised by our new board of Supervisors.

John Henry pleaded with Annela, And all his passion tried to tell her. She said, "John H., your words you waste, Your teeth betray a want of taste, Your breath offends me, so I say, Use SOZODONT or stay away."

SHILOH'S CATARRH REMEDY—a positive cure for Catarrh, Diphtheria, and Canker Mouth. For sale by Hardaway & Cassell.

"Yes, we had a row, your honor," she said in the police court the other day. "What caused it?" "She said my husband had run away from me, and I gave her a slap." "You shouldn't have cared what she said." "But I couldn't help it, your honor. When my husband has been sent to the work-house for three months he hasn't run away, and I'll not stand by and hear any one traduce his loving character!"—Detroit Free Press.

Do Not be Alarmed at the raising of blood from the lungs. It is one of the very earliest symptoms of consumption, and only shows the healthy efforts of the system to throw off the scrofulous impurities of the blood which have resulted in ulceration of the lungs. Dr. Pierce's "Golden Medical Discovery" is a positive remedy for consumption at this stage. If taken faithfully, it will cleanse the blood, heal the ulcers in the lungs, and build up and remove the whole system.

A NASAL INJECTOR free with each bottle of Shiloh's Catarrh Remedy. Price 50 cents. For sale by Hardaway & Cassell.

CURE FOR PILES. Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a very common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and affecting a permanent cure. Price, 50 cents. Address, The Dr. Bosanko Medicine Co., Piqua, Ohio. Sold by C. C. Reynolds & Co.

Following Pasteur's Practice. NEWARK, Dec. 30.—Veterinary Surgeon Runge has received from New York the body of a dog which was killed while suffering from rabies; also four cats which were bitten by the dog. He will endeavor to start a laboratory here. A rabbit was inoculated with the virus. This operation is said to be the first of the kind ever performed in this country.

A VERY NARROW ESCAPE.—Yes, I had a narrow escape. I was attacked with a violent cold, and alarming symptoms of consumption. One bottle of Dr. Davis's Compound Syrup of Cherry and Tar entirely cured me. John H. Bewley, Smyrna, Del. Use Dr. Davis's Liver Pills.

ONE of the colored couples married at Judge Lowenberg's court Tuesday applied for a divorce yesterday. They said Judge Joe Maganos used to marry them one day (down in Rocky Springs) and divorce them the next day. Judge Lowenberg took the matter under advisement, and told the forlorn looking benedict to "come again."

The National Complaint. Dyspepsia is the national complaint. Almost every other man or woman you meet has it, and the result is that the number of pseudo-remedies for it is as numerous as Pharaoh's plagues. They are for the most part worthless. There is, however, a searching eradicator of this distressing and obdurate malady, one whose genuine merits long since raised it to a foremost place among the staple medicines of America. Hostetter's Stomach Bitters extracts dyspepsia with greater certainty and promptitude than any known remedy, and is a most general invigorant, appetizer and aid to secretion. These are not empty assertions, as thousands of our countrymen and women who have experienced its effects are aware, but are backed up by irrefragable proofs repeatedly laid before the public. The Bitters also promote a regular habit of body and give a healthful stimulus to the urinary organs.

JOHN S. WISE relieves the whole country except Virginia by the declaration that Mahone is not going to leave that State.

Mayor Grace's Libel. New York Special. Mayor Grace's libel suit against the World promised to be one of the great newspaper trials of the coming year. Mr. Pulitzer's attitude at present is something like that of the small boy who carried a chip on his shoulder until it was knocked off and then pulled out his coat for a fight. Instead of being silenced by the Mayor's bombardment of him from day to day relentlessly, the trial will undoubtedly bring out a great many disclosures about Mayor Grace's connection with Grant & Ward and his career while in office. Mr. Conkling's presence in the case as counsel for the defendant will also add interest to the proceedings, for the ex-Senator never misses an opportunity, while in court, to display his apt repartee and cutting sarcasm. Of course they are often out of place and uncalled for, but his brilliant sallies nevertheless make interesting reading now, as they did when he was in public life, and that is what the newspapers are looking for. Mr. Conkling unquestionably has given up all idea of taking an active interest in politics again. He has also been very careful about talking with people on this subject since he was caught in an interview just before election and surprised by seeing it in print. Mr. Conkling is ageing in appearance very fast. He is also getting stout, and he pays less attention to his dress and personal appearance than ever. Since he has settled down he has been made quite a lion in social circles. Newspaper reports have him at a private ball or reception two or three times a week, and his presence is always made the feature of the occasion.

It is wise to provide against emergencies that are liable to arise in every family. A cold may be a dangerous thing, or not, depending upon the means at hand to combat it. In sudden attack of cold, croup, asthma, etc., Ayer's Cherry Pectoral will prove the quickest and most effective cure, and your best friend.

SHILOH'S CURE will immediately relieve Croup, Whooping Cough and Bronchitis. For sale by Hardaway & Cassell.
